That's great, Rafaela,

10am Thursday works just fine. We can plan to meet in KCS5 (the "Marshall Room", on the second level in Kings College).

Hi, Rafaela,

Just quickly — my return flight from the States will be landing in Aberdeen that morning and I have formally taken that day as part of my annual leave.

One thing to consider is that the entire team need not be in attendance for our first meeting (though that is obviously preferable). You are welcome to pick from any of the following times:

Tue: 1–4pm
Wed: 1–2:45p
Thur: 9a–12p
Fri: 11a–2p, 3–5p

Please let me know what works for you.

All my best,

Dr. G

Dear Nathaniel,

I hope this email finds you well. I spoke to the team and we were wondering if you would be free Monday (7th) at 1pm to discuss requirements.

Kind regards,

Rafaela.

No worries, Rafaela,

Just so you know, I will be flying to the States early on Thursday, so I may not be able to respond to your email until afternoon of the 7th or morning of the 8th.

Hi Nathaniel,

Thanks for getting back to me. I will check with the rest of the team what other time we would be available next week and get back to you by Thursday. I hope this isn't of any inconvenience.

Kind regards,

Rafaela

Hi, Rafaela,

A meeting on the 10th would need to be in the morning as I have University Senate responsibilities from noon on that day.

Dear Nathaniel,

Thank you for your response, I really appreciate you getting back to us. Unfortunately, I do not think we would all be able to meet this afternoon. However, we are more than happy to arrange a meeting for next week.

Would Thursday (10th) at 12pm work for you?

Kind regards,

Rafaela.

Dear Rafaela,

Thanks for this note. A Mon/Wed/Thur meeting time is certainly feasible. Unfortunately, the earliest time I currently have available to meet on those days is not until next week (unless you all are able to have a short-notice meeting this afternoon).

If you are available this afternoon, my schedule is rather flexible.

Let me know what suits,

Dear Nathaniel,

I hope this email finds you well. I am emailing you on behalf of Team Hotel as we have been made aware that you are our client for CS3028 Principles of Software Engineering.

We were wondering if we could arrange a meeting to discuss the system requirements and would like to request your availability. We would prefer to schedule a meeting on any day apart from Tuesday and Friday due to scheduling conflicts for some of us on the team.

Looking forward to hearing from you.

Kind regards,

Rafaela.
